

You can still Raft the Grand Canyon with the Flatland Ski Association!

Due to the COVID-19 outbreak the Grand Canyon National Park was temporarily closed, so our trip start date has been moved to:

June 21 – 27, 2021

Due to the change, not everyone is able to re-book for the same time, so there are some openings for FSA club members!

2021 Cost - \$3,297 per Person!

(\$500 non-refundable deposit required when you register.)

Hatch River Expeditions is temporarily holding spots for FSA club members, but it will be opened to the general public in the next few weeks. If you're interested, you can contact **Hatch River Expeditions** directly, or sign up by using the link below. Don't delay!
